

Registration steps for previous walkers

These steps will allow you to reuse your contact information, e-mail lists, and Web page personalization from previous events:

1. Visit www.psoriasis.org/walk
2. If you remember your username and password from last year. Log in at the top of the page and skip to step 6.
3. If not, follow these steps:
 - a. If you have a username, but do not remember your password:
 - i. Use box that says “Forgot password?” and enter in your username. If you have not set a reminder, then this step may not help. If so, go to the next box and enter your username and e-mail address. The system will promptly send you your password.
 - b. If you have forgotten both your username and password:
 - i. Use the box at the bottom at the page that says “send me my username”
 - ii. Enter your e-mail address and click “send username”
 - iii. You will receive an e-mail promptly that includes both your username and password.
4. Once you’ve requested your username and password, it will take you to a new Web page so you know it has worked. From here click the link that says, “Log in here”. This will take you back to the original page where you can enter both your username and password in the top box once you’ve received it in your e-mail box.
5. Use your username and password to log in
6. This will take you back to the list of walks
7. Click on your desired walk city
8. Complete registration as planned. If you were registered for this city’s event last year, your registration form will automatically fill in with your contact information.

Questions? E-mail walk@psoriasis.org or call 877.825.WALK (9255).
